NOTES.

- The amount of any extra pay for which the soldier may be mustered, ex. gr. as Acting Hospital Steward, as Saddler, &c., and which may be still due him, must be carefully noted.
- In the column headed "BOUNTY PAID," must be entered the whole amount hitherto paid him; in that of "BOUNTY DUE," the whole amount yet due him. Bounty paid by State authorities, and not by the United States, will not be entered on this statement.
- Stoppages for loss or damage done to arms, or other public property, must be noted, and the articles, and particular damage to each, specified. When stoppages are due, under sentence of a Court Martial, a transcript of the same must be entered here; and the amount already stopped, must be carefully stated.
- In every case of desertion, the date, and that of delivery, or apprehension, must be given, together with a correct transcript of the order of sentence or pardon.
- A careful estimate of the man's CLOTHING ACCOUNT must be made, to date, and the amount DUE TO, or FROM him must be precisely stated.
- Should the man have been engaged in any action or skirmish, it must be mentioned, together with date and place. A full and particular mention will be made of any wounds he may have received in action, or other injury, whilst in the line of his duty.
- If the soldier is entitled to pay for the use of his horse, the company commander will certify to that fact on this list, and also to the time he has pay due for having been so mounted on his own horse.
- When a soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the muster roll upon which the soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these muster rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Dep't.
- Where a soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.
- Men drafted will be considered as mustered in from the date of their draft, and will be mustered for pay on the usual rolls for Volunteers. Their pay commences on the day they report for duty under their summons from the Provost Marshal, which date should be noted on the first Muster Roll, under the heading of "Remarks." On the same line as the soldier's name, under the heading "Joined for Duty and Enrolled.—Commencement of First Payment by Time," will be written the word *drafted*, or *substitute*, as the case may be; and under the heading "When Mustered in" will be given the date when the soldier was drafted, or, if a *substitute*, when enlisted, (substitutes, under the Enrollment Act, are mustered in by enlistment) under "Where Mustered in," will be given the place from which drafted, (or if a substitute, where enlisted) under the heading "By whom Mustered in," will be given the No. of the Enrollment District from which he was drafted, and the State to which it belongs, thus: *4th D. Mass.* (meaning 4th Enrollment District, State of Massachusetts.) Or if a substitute, the name of the officer enlisting him. (When enlisted by Board of Enrollment, the name of the Provost Marshal of the Enrollment District.)
- A separate descriptive list should, as a general rule, be given for each man.
- Descriptive lists must, in all cases, be signed by COMMISSIONED officers; not by enlisted men acting as such.

I CERTIFY that the above is a correct transcript from the Records of *Co "H" 11<sup>th</sup> Regt. Iowa*

Freeman you are right in supposing that I will be glad to hear from you yes I am always glad to hear from home. Sarah in your letter of the 13<sup>th</sup> you are very uneasy about me. but long before this reaches you you will be more at ease as regards my safety. I have not been well since the battle but I have been able to perform my duties as soldier most of the time. and I am a getting a little now. but I am not well yet. I am afraid that it will not go very well with me if I have got to stay down here this summer. but I will hope for the best. April 24<sup>th</sup> since I commenced to write this I have been called off three or four times to drill and do other things that has to be done about the camp the fact is I have a very poor chance to write. and I will be called off in a few moments to drill a gun. but such is a soldier's life. I was in hopes that before this that I could send home some money but we have not been paid off yet. there is now almost four months pay due us. and when we will get our money I do not know but I am in hopes before long. for some of the boys begin to need some change very bad. I still have a little change left yet. but it is very little. but I think that I shall have enough to do me until we get our pay for I think that we will get some of our pay before long now. live in hopes and expect me home when the war is over. and I hope that will not be very long. remember me to all.

I remain yours truly

THE GIRL I LEFT BEHIND ME.

1862  
Pittsburgh Landing April 23<sup>rd</sup>  
Dear wife and relatives  
I again set down and attempt to write to you. I have not got any thing of importance to write about at this time. but as I have not written since the 15<sup>th</sup> I thought that it was about time that you was a having a few lines from me. and so I set down and commence to write but whether I shall be able to fill this sheet or not I cannot tell yet. One thing I do know and that is that I am tired of fighting. and tired of soldiering in any shape. the fact is I am home sick. yes very home sick. and yet I cannot get there now. if I had of been one of the lucky ones in the fight and got wounded or if I had of got scowed and run so hard as to strain myself then I might of had a chance to come home. the first way is honorable. but I despise the men that adopted the other plan. Some of them are in close confinement here now for that offence and a good many more there are that had ought to be. a man that will desert his fellow man in the time of danger is not worthy the name of man. yet we have to many of just such men. they do not seem to care who is killed or who is crippled so that they get off safe and sound and they are the men that does the most talking as a general thing. Oh! how I lothe such men. but it is not necessary to say any thing more on this subject at this time. I speak about those being lucky that got wounded. and it would almost seem so. but I am glad that I am among those that escaped without a scratch. I want to get clear of soldiering very bad. but not bad enough to wish myself wounded to get clear. for a short time. and I consider that those that got wounded will have to come back as soon as they are able and they will have to suffer a good deal. and their friends will feel worse when they leave the second time than

"He turn'd and left the spot--Oh do not deem him weak--  
For dutiless was the soldier's heart, though tears were on  
his cheek:  
Go, watch the foremost ranks in danger's dark career  
Be sure the hand most daring there has wiped away a tear."
