Valentine's Day in a Bag Available February 1st - 14th

Valentine's Day, also called Saint Valentine's Day or the Feast of Saint Valentine, is celebrated every year on February 14th. It originated as a Western Christian feast day honoring one or two early Christian martyrs named Saint Valentine and is recognized as a significant cultural, religious, and commercial celebration of romance and love in many regions of the world. Today, we might celebrate Valentine's Day by giving cards and candy to friends and family and decorating our windows with hearts. To celebrate Valentine's this year, stop by the Muscatine Art Center and grab a "Valentine's Day in a Bag" kit. Each bag contains a few Valentine's crafts that you can complete at home with just a few additional supplies. These bags are free to pick up! While supplies last.

Kids Saturday Workshop

Saturday, February 6, 1:30-2:30 p.m. - Chinese New Year - Year of the Ox
Reservations required by February 5th. Space is limited. Masks required.

Chinese New Year, also called the Spring Festival or *chunjie*, is celebrated by more than 20% of the world. While it is still very cold and wintry, the holiday marks the end of the coldest days, and welcomes what spring brings: planting, new beginnings, and fresh starts. Chinese New Year ranges from January 21 to February 20 because it follows a Lunar calendar, unlike western holidays such as Thanksgiving that follow a Solar or Gregorian calendar. This year, the Chinese New Year officially begins on February 12th and ends on February 22nd. 2021 is the Year of the Ox, the second animal in the Chinese Zodiac. Join Miss Julie Saturday, February 6th from 1:30 to 2:30 p.m. to learn a little bit about this festive holiday and to create a project that will help you celebrate the Chinese New Year.
